

COMPARISON OF LIGHTS FOR 1 DAY SHOOT ON LOCATION WITHOUT MAINS POWER

Green Lights	Cost		Traditional Lights	Cost	
Dedo DLED kit (3 heads)	85.00		Dedo 150w Kit (3 heads)	55.00	
Zylight F8 100	40.00		200 w Fresnel	65.00	
Zylight F8 200	60.00		400 w Fresnel	80.00	
Skypanel C60	170.00		4kw Par with softbox	240.00	
18 Vlok batteries	180.00		Generator Hire	300.00	
			Generator fuel and mileage	£££	
			Genny op wages	300 +	Light
	£535	Total ex VAT		c.£1040	Total ex VAT without fuel

- Assumes same stands, sandbags etc.
- LED option will need less distribution because of battery power

3 MORE REASONS TO CHOOSE GREEN LIGHTS

COOL OPERATING

- Save on costume and make up changes
- Health and Safety
- Shoot for longer without breaks – fewer water bottles!

COLOUR CHANGING

- Bicolour options – 2 for 1!, shorten your lighting list!
- Save on gels - eg. **Skypanel** and **Kino Flo Select** have dial up for the full colour range

FLEXIBLE AND TOUGH

- Use one handed (Icelight, Stella Pro series)
- Built in battery – lighter, look no leads (Stella Pro)
- Robust with no fragile bulbs– use them anywhere!
